Client Ambassador Program

BWMA is successful because of many wonderful clients like you. Yes, we have a hard-working staff dedicated to make your experience both enjoyable and financially profitable, but the real success of BWMA is determined by you and how you feel about us.

We want you to like us so well that you will tell everyone you meet about us and become an Ambassador for BWMA.

When you do that we will share in the profits with you. Referral fees can be used as you like; e.g., to pay your cell phone or utility bill, or to make an extra payment on your mortgage or other loan.

Thank you for saving with us!

You become an Ambassador with your first new client referral.

Ambassador Perks include:
